Do you want a divorce?

Do you know someone who wants a divorce?

The **Queen's Family Law Clinic (QFLC)** may be able to help.

The Divorce May Cost Only \$10:

The court offers a fee waiver for financially eligible clients and clients with low income will not have to pay the required court fees (\$476). There is only one fee (\$10) that cannot be waived.

The Simple Divorce:

Also known as the Uncontested Divorce or the Bare Divorce, this is the Family Court process for those who have no issues in dispute and who want to ask the Court only for a formal end to their marriage.

FREE Assistance is Available:

The Student Caseworkers of the QFLC, working under the supervision of a lawyer, are available to assist eligible clients by applying for the fee waiver, completing and filing the required documents and generally assisting with the Family Court process. There is no cost for this service.
