

Community Advocacy & Legal Centre

Problems we help with

-  Income assistance rights
-  Tenant rights
-  Workers' rights and compensation
-  Consumer and debt
-  Human rights and discrimination
-  Seniors' issues
-  Sexual Harassment at Work

We give **free** legal information, legal advice, and help with courts and tribunals.

We work with community partners on issues related to the problems we help with. We work to create fairer laws and ensure the laws are justly enforced.

We provide legal education workshops.

Our Mission

Access to justice through quality legal services, advocacy and information for people living on a low income or in poverty while promoting legal empowerment and collaborating with community partners.

Our Vision

We strive to achieve social justice with dignity by influencing positive change in our community, our institutions and the law.
